The following courses have been evaluated by Prior Learning Assessment to meet General Education and Elective credits of a Bachelor's Degree. In order to receive credits recommended below:

Submit portfolio including documentation showing completion of coursework. NOTE: When a portfolio is submitted for evaluation, certification of the course title, course number and/or

Submission and Evaluation: Fees are applicable for credits evaluated. For more information regarding fees, restrictive regulations, and/or submission process call 800- 224-0690 for

The credits described below can be awarded provided they do not duplicate any of the following:

Program Coursework

Transfer Credit

Assessed Credit

National Testing Program Credit

Recommended Semester Credit Conversion - The standard formula for determining credit value is as follows:

15.0 hours of classroom learning is equivalent to 1.0 semester credit

30.0 hours of Lab, Clinical or Self-Paced hours is equivalent to 1.0 semester credit

Note: Only the college level content of a course is converted to credit. The non-academic portion is not converted to credit.

Classroom learning that is less than 15 clock hours may be combined with similar course work in 7.5 hour increments which is equivalent to 0.5 credit hours. Lab, Clinical or Self-Paced

University of Phoenix Equivalency: General Education or Elective category to which credit can be applied.

Basic Computer Applications courses: These courses are limited to a combined total of four (4) semester credits.

Non-Academic: Lack of college level theory and/or principle necessary for credit recognition.
