

Bachelor of Science in Management

This summary is an estimation of credits based on current 2020 UOPX catalog and degree program requirements for the Bachelor of Science in Management v. 004 program, and the 2017/2019 catalog for Community College of the Air Force degree program requirements for AAS degrees. Actual credit may vary based on each individual student's submission. However, CCAF AAS graduates will need no more than 60 credits to complete the BSM degree program.

The University will accept courses that are numbered as non-remedial, college level, transferable, or degree applicable, as determined by the issuing institution.

Courses must have received a grade of C- or higher to transfer.
